Notations on Romans 15/13

As the God of hope, He has placed expectation within us, stirring us to believe Him & in His word, so we receive His promises as our provision!

Hoping in the faithfulness of God is to be in an attitude of restful peace, & expectant joyfulness!

The nature of joy & peace is in us through the New-birth, & as we yield to them, the Holy Spirit bears fruit, which is recognized as 'the fruit of the Spirit'! (*Gal. 5*)

Faith, which is from God, works in & through us by our willful expectation of receiving from God, which produces the hope of receiving!

Abiding in hope flows out of your Born-again spirit, & should have great effect upon your mind & emotions, & should influence your intentions & inclinations!

It's the Spirit of God that gives you His faith, hope, peace, & joy: you only need to yield to them & flow in them!

Success & victory in life is already yours, given to you, abiding in you, & as you rest in hope, you align with the power of God!

Abiding in hope gives you victory over fear, double-mindedness, & anxiety!

Hope teams up with faith to keep it expectant now & continuously!

You are anointed with the anointing of Jesus, the Anointed One, & flowing in hope permit's the anointing to flow!
