3 Beneficiaries of Partnering with Fresh Fire Ministries Intl:

Us You Others

We benefit because your support helps us to continue sharing the Gospel of Grace, producing & providing free ministry CD's, DVD's, & printed materials, & the expansion of our outreaches into more neighborhoods, communities, & nations!

(We're aiming for 100 neighborhoods, communities, & nations before Jesus returns!)

You benefit by receiving our monthly partner materials that will inspire & transform you & give you great revelation in the knowledge of Jesus, the kingdom of God & your redemption. You'll also be covered in prayer by our ministry team regularly, & can email or call us with prayer requests at any time. You'll also receive updates on outreaches, mission trips, & testimonies as we receive them.

Others will benefit through hearing the Gospel of Grace, receiving salvation, healing & deliverance, being baptized in the Holy Spirit, & experiencing the love, grace, peace, & joy of the Lord. They'll also benefit through our outreaches, ministry services, & marketplace evangelism, as they are ministered to, prayed for, encouraged, & strengthened in their faith in Jesus!

Whatever \$ amount, as often as you can contribute, will make a difference!
