

Will you help us build some **FRESH FIRES?**

An appeal from Dr. Christopher Longneer & Fresh Fire Ministries Intl.

In more than 25 years of ministry we've seen many people receive eternal life, healing, deliverance, baptism in the Holy Spirit, & victory in life!

We've trained several dozens of people for the ministry. We've been into more than a dozen nations, & several cities of the United States, & quite a few communities, sharing the good News of Jesus.

We are committed to sharing & teaching the Gospel of Grace, the realities of righteousness, & the unconditional love of the Heavenly Father.

We have, are, & shall continue to put these eternal truths into the hearts & minds of many men, women, teens, & children, who shall share them with people in their sphere of influence!

We don't just have church, we are the Church, the fullness of Him that fills all in all, & we will be about our Father's business until we stand in His presence!

Will You help us to continue this glorious ministry of redemption?
