

GOD IS SPIRIT

God Is Spirit (John 4/24)

Dr. Chris Longgear

God is a spirit; and they that worship Him must worship Him in spirit and in truth! John 4/24

I want to re-share that verse with you multiple times, from the 'Longgear Translation', my own interpretation of that verse of Bible Truth, as given to me by the Holy Spirit. If you will take time to read, meditate upon, and reflect upon the notations of these verse renderings, I do believe you will be helped and encouraged by the Holy Spirit in your understanding. The truth of God that Jesus was sharing among Hebrew people He was daily moving in the midst of and ministering to in marvelous ways prepared them for the Kingdom of God. The principles of this truth will minister to us today as well as it may have to those that received the truth that Jesus shared. So I invite you to read, feed, and let the Holy Spirit to lead, in your walk with Jesus, the King of kings and Lord of lords!

God is a spiritual being, and they that fellowship with Him will do so in spiritual union, which is a reality of His realm!

With God, the Father, God, the Son, and God, the Spirit, being spiritual in their divine nature so we must become one with them spiritually, in order to have fellowship with them!

God is a spirit; when you are Born-again, you enter into spiritual union with Him, and are free to worship Him, fellowship with Him, and communicate with Him, at any and all times!

The nature of God is spiritual; in order to have full and free access to Him, we must have our spiritual nature in accordance with His, so that we can participate in experiencing His heavenly truths!

God is a spiritual being and He longs to have union and fellowship with us by us receiving His divine life of truth; we enter into fellowship by membership in His family!

If you are Born-again, you are in unfailing union with Father, Son, and Spirit! So pursue fellowship with them, for that is your right and privilege!

Our Heavenly Father has many Kingdom truths to reveal to you, share with you, and manifest for you!

Coming into spiritual union with Him permits Him to reveal them to you freely, willingly, and regularly!

By your New-birth in the Holy Spirit, you are one with the Holy Trinity! You are complete in them, you abide in them, you are hidden in them, you flow in fellowship with them, and you can adore and appreciate them! In so doing, they share Kingdom truths with you!

Your Heavenly Father gives spiritual life that is eternal and perfect; Once you received it, you became one with Him forever; His Spirit is yours, as His truth is yours!

In the revelation of God's truth, there is spiritual dynamics that are in operation. As you feed upon these dynamics in your thinking, you discover who you are by coming to know Whose you are!

God, who is a spirit, lives in you, Christian! By His Spirit, you have God's life, nature, and characteristics!

Your worship of Him is actually an act of you fellowshiping with Him boldly and confidently!

God is the reality of eternal life, in fulness, without restriction or limitation. God is light and truth. Being born of Him filled you with Him, and releases you into unbroken membership, fellowship, and union with Him! This was afforded to you on a legal basis by the sacrifice of Jesus, and it is personally afforded you by the Holy Spirit living in you!
