*Topics in the First Series of teachings include: **The Gospel of Grace, Righteousness Revealed, The Priesthood of Jesus, & The Blood of a Better Covenant.***

These topics are vital & dynamic truths of the New Testament, which was established on better promises, through the Lordship & Priesthood of Jesus.

Soaking in these truths through listening to them or watching the sessions on dvd will help you to have your heart established in grace, which, the Bible tells us, is a good thing!

The only fees you pay for these valuable courses is in committing to monthly financial partnership with Fresh Fire Ministries Intl.

Your partnership will help produce more of these courses, for more people, through television, dvd, & cd.

We're committed to raising up & sending out able ministers of the New Testament! Will you be one of them?
