Acts 17:28 for in Him we live and move and have our being, as also some of your own poets have said, 'For we are also His offspring.'

What a blessing it is to continually learn of & experience the truth of being a child of God!

In our full & perfect union with Jesus, we have been placed into Him, & His life has consumed us!

We have the life of Christ, our flow is in union with the Holy Spirit, & we are vessels of His ministry & anointing, which flow through us!

Through being born-again, you have the spiritual DNA of God inside of you, in your spirit, soul, & body!

You belong to & are possessed by God, the Holy Spirit, as a child of God, & as His servant!

If you turn the focus of this verse around, you could just as truthfully say, "In us He lives, moves, & has His being"!

This confirms the divine reality of your literal union with God through Jesus, by the Holy Spirit!

When you're born-again, you've been born of God! (John 1/13)

Being born of God fills us with His life, nature, spirit, & we also receive the mind of Christ!

So, you are literally & fully already a child of God, & your passport has been issued from your home nation, Heaven, & is good for eternity!

Your work visa has also been issued from Heaven, & you are a citizen of Heaven, now 'on loan' as an ambassador of Jesus, here in the Earth! (Rom. 8/39)

You have divine diplomatic immunity from sinfulness, disease, poverty, oppression, & demonic influence!

Greater is He that's in you, than anything in this world, & you have the victory of Jesus over the world that anoints you with His own anointing!

You are anointed with the anointing of Jesus, the Anointed One, & since God is for you, no one or anything can separate you from His love!

As God's servant in this world, you've been anointed & appointed, by divine design, to function with an unction from on High!

As a child of God, you're seated in the throne of Jesus as His sibling, just as He is seated with the Father on His throne! (Rev. 3/21)

It is valuable to us & to everyone that we do & will minister to for us to have the revelation of our completion in Christ Jesus! (Col. 2/9,10)

The Word of God tells us that we can always have boldness before our Heavenly Father, for we are identical to Jesus, now that we're born of God! (1 John 4/17)

Jesus is our sanctifier, & He has set us apart from sin & apart unto God!

We are the sanctified, purified, justified, & glorified children of God!

You have no sinful past, today you are the servant of God, & you will forever be the child of the Most High God!

You're born of incorruptible seed, with unfailing life, & you have everything of God!

You have EVERYTHING that pertains to life & godliness, & it's already in you!

(1 Peter 1/23, 2 Peter 1/3,4)

You are saved, sanctified, sealed, & secured unto the Father, through your legal redemption at Calvary, & by your new-birth by the Spirit!

The only life you have, the only identity you have in eternity, is as a child of God, an heir of God, as a co-heir with Jesus!

You may now be both a son & servant of God, but once dispensations of time have passed, you'll no longer be God's servant, but now & forevermore, you are His child!
