LAUNCHING INTO TV MINISTRY

For under \$100 a program, we can broadcast 30- minute television programs from a television station in the Pomeroy, Ohio, area that will not only reach over both sides of the Ohio River, & into multiple counties, cities, & communities, but will also be included in the programming when that station is picked up on a major cable system that serves Parkersburg, WV, & surrounding cities!

Another benefit of studio-recording these programs will be that we can send them on DVD to our partners outside of the viewing area, so that our supporters can partake of the same dynamic ministry as we teach the Gospel of Grace to people throughout the viewing ranges of the stations!

I know this is the will of the Lord for us, & He's witnessed to me that we have people willing & able to help support this vital ministry, to enable us to take the Gospel of Redemption to a far greater number of people than we're currently reaching. Will you be one of those people that will partner with us in this endeavor?

Whether as a monthly partner, once-in-awhile supporter, or as a one-time donor, your financial gift will serve to get this program produced, broadcast, with the results of many people being further set free by the Good News of Jesus Christ! Once you decide to help us, will you email me & let me know of your willingness to help, along with any comments or prayer requests that you may have?

**Please join us in this exciting opportunity,
many people will be glad that you did!**
