Miracle Makers Ministry 'Sneak Preview' Testimony

This past Sunday night, in our weekly Great Grace Fellowship gathering in Marietta, at the Comfort Inn, we were able to give comfort of the emergency sort!

One of the men in attendance walked into the room we were ministering in, & almost immediately fell against a table & crashed to the floor; entering into an epileptic seizure. Immediately other attendees started praying for him as I laid hands upon him & commanded the seizure to stop, we called him back into consciousness, & spoke peace to his nervous system & brain functions. Almost immediately after that, he came to, & began to recover. One of our women in attendance was giving nurse care to him & attended to his bleeding. In spite of having cut the side of his head a bit & hurting his ribs from the fall, he recovered full awareness, & spent more than two more hours being part of the ministry time, with the bleeding having stopped very quickly, & his body feeling better already!

The next day when I called him to check up on him, he told me he felt a powerful force rip the center of the seizure out of his body & he heard us commanding it out, off, & away from him!

I commend him for staying the course with us that night, & I commend those folks in attendance for their immediate praying in the Spirit & give physical aid to him as we took spiritual control of the situation! Thank you Holy Spirit for your anointing & wisdom in the emergency!

I want to remind you that we start a new series of Friday night ministry on Sept. 9th, 7pm, at Fresh Fire Church in Parkersburg.

The ministry is entitled 'Miracle Makers' Ministry Training School.

It will cover 12 weekly sessions of soaking you in the remembrance & realities of having the anointing in you that the Holy Spirit had upon Jesus, Who went about setting people free & working powerful miracles, signs, & wonders, just as you're called to do!

That which Jesus did was a model of what we're to be doing: healing the sick, cleansing the diseased, casting out devils, & raising the dead, while declaring the Gospel of the Grace of God!

This series of Friday night ministry training will change you, charge you, & confirm to you that you have what it takes to see miracles, healing, signs & wonders manifest through you!

Come join us for saturation, revelation, & motivation for ministering in the power of God to people in your realm of influence!

Classes start Friday Sept. 9 & run through Nov. 25th. Certificates will be issued for students completing the 12 part course, there will be ministry conducted in classes, & the course will be made available on CD & possibly, DVD. An offering will be received weekly in lieu of tuition.
