1 Corinthians 15:10 But by the grace of God I am what I am, and His grace toward me was not in vain; but I labored more abundantly than them all, yet not I, but the grace of God which was with me.

*Grace gives us our identity in at least four facets: we're children of God;
we're ambassadors for Jesus; we're temples of the Holy Spirit; we're members of the Body of Christ.*

God's grace puts Heaven into you & you into Heaven!

God has become your Heavenly Father through His grace transforming you!

Grace anoints you with the anointing of Jesus, & sends you into the world to continue the ministry that it manifested through Him!

As you walk in the love towards people, you demonstrate His grace for them!

Because of grace, you have every good & perfect gift of eternal life, through union with Jesus, by the Holy Spirit living in you, & it all came from the Father!

God's grace is unmerited, undeserved, & unearned.

If you can't earn the grace of God, neither can you un-earn it!

These equipings & our divine calling are entirely by the grace of God!

Grace always has a focus, & usually has a mission to accomplish!

Grace has a divine mandate to demonstrate the living God to fallen man, & to bring the two parties together in eternal unity!

Grace empowers you to be a servant of God, and you serve Him by ministering to people as His vessel!

Grace is in you, with you, for you, over you, & flows through you!

Grace motivates you to help people to become better off!

Grace bears fruit!

Grace gives you what you didn't earn, makes you what you couldn't be, & accomplishes what you couldn't do on your own!

Grace has not only your welfare in mind, but also the wellbeing of those in your realm of influence!

Grace enables you to be one with God, to flow in union with Him, & to allow Him to flow through you!

God's grace is everything you need, to meet every challenge, in the midst of every situation, regardless of your personal condition!

Grace releases the kingdom of God into your personal world!

Grace brings forth the will of God, as it is in Heaven, into manifestation on Earth!

Grace is the flow & operation of God's love for people!

God's love flows to you as grace, & once you're born-again, it flows through you as faith!

Each member of the Holy Trinity have your best interests at heart, & they have extended themselves to us, through the methods of grace.

In pure form, grace is unmerited favor, & that's what we have; God's favor.

Even the world that's cut off from God has His favor; & why Jesus came forth & became the Lamb of God, carrying off the sins of the world!

That's the apex of grace!

Grace has restored us to the presence, peace, & power of God!

Grace took you out of the kingdom of darkness, placed you into the kingdom of light, & has given you an eternal heritage & inheritance!

You have become one with God forever!

That's the greatness of God's grace!
