*'Tongues' are miraculous  
Tongues opens the door to the miraculous  
Tongues are the voice of the Holy Spirit in, to, & through you  
Tongues manifests the mind of Christ  
Tongues bypass your mind, while interpretation gives you understanding  
Prophecy manifests wisdom & information from the mind of God  
Prophetic ministry glorifies God, edifies people, & can confirm direction  
Tongues is Spirit-to-spirit communication  
You can't overdose on praying in the Spirit  
Tongues & interpretation often equal prophecy  
Praying in the Spirit, then asking for understanding is good  
Praying in tongues, listening, writing your impressions, helps you  
Praying in tongues develops sensitivity to God's voice  
Tongues helps you flow in the other gifts of the Spirit  
Tongues can bring refreshing, healing, deliverance to you  
You can pray in tongues for the body of Christ  
Tongues & the mind of Christ makes God's Word real & revealed to you  
Tongues can stir dreams and visions & spiritually motivate you*

Romans 8/31-39 1 Cor. 15/57 2 Cor. 2/14 1 Jn. 4/4 5/4,5

**A victor may've been victimized, but refuses to live as a victim!**

**Being either a victim or victor starts with a decision!**

**You cant control what happens TO you, but you can influence  
what happens IN you!**

**Victory is a spiritual reality, & it's a mindset that you can develop in yourself!**

**Victory begins with an attitude that you're a winner, not a loser!**

**You need to believe that God is for you & believes in you!**

**There's victory in knowing that the Greater One lives in you!**

**You're not a loser in life unless you choose to be!**

**Only your attitude makes you a winner or loser in life!**

**Losing doesn't make you a loser, not trying does!**

**Circumstances can change you, or you can change them!**

**Life can't defeat you unless you give it permission to!**

**Attitude is the thermostat of the spirit of victory!**
