What's the Benefit (to You & Others) of Partnering with Fresh Fire Ministries Intl?

~ People are being transformed as they feed on the New Testament Truths of the Gospel of Grace!

~ Believers are feeding consistently on the truths of the free CD's, DVD's, & FaithNotes we're sending out weekly!

(We hope to soon be able to mail & give out at least 100 cd's & FaithNotes weekly, at no cost to the recipients, including homeless people in the area, so every listener can grow in the knowledge of the redemption Jesus has provided them!)

~ People are being saved, healed, & made whole by prayer & personal ministry taking place in public & in the market place weekly, by our Fresh Fire Ministry Team members!

~ Christians are being trained in the flow of the Spirit, & for the work of the ministry in our Friday night Bible School.

(Just last Friday night, we had 9 students prophesying & flowing in prophetic ministry in class, some for the first time!)

~ Blogpage devotions are ministering to people via email & the internet, from: freshfire.talkspotblogs.com.

~ Monthly 'Thoughts of Faith' articles are speaking into peoples lives via the Parkersburg News & Sentinel, & Marietta Times

newspapers in the Mid-Ohio Valley!

(These are churchd, unchurchd, saved, & unsaved people!)

~ People can access videos of our television series "Righteousness Revealed" on Youtube.com

~ Attendees are experiencing the presence of the Holy Spirit & the Heavenly Father's love for them in our Sunday worship services at Fresh Fire Church!

(We've received quite a few comments about this!)

~ We are (or have recently [& will be again soon] been) conducting outreach ministry & home-churches at: Marietta, Reno, Shade, Beverly, Ohio, & Parkersburg, Pennsboro, & Harrisville, WV.

(We have 20/20 vision: Acts 20:20)

~ We are called & dedicated to preaching, proclaiming, & publishing the Gospel of Grace & New Testament truths of redemption in 100 neighborhoods, communities, & nations!

~ As the finances come in, we're looking ahead to ministering back in Wales, Manchester & London, England, along the Cook Inlet in Alaska, & in Kenya, Africa, hopefully all within the next calendar year!

We're training & raising up potential apostles, prophets, evangelists, pastors & teachers for the work of the ministry & sending them forth locally!

Remember, Fresh Fire Ministries Intl not only has ministered to alot of other people, we've ministered to you, also!

Will you help us to minister to many more people, with your financial partnership, for the rest of '09, & on into 2010?
