"Blessed are the pure in heart, for they shall see God." Matt. 5/8

This is a 'sneak preview' of the New-birth that Jesus spoke of here.

The only way for us to have a pure heart is to be Born-again & to be freed from the nature of sin!

We become 'pure in heart' by becoming partakers of the divine nature of God.

We are legally purified before God through the sacrifice of Jesus on the cross, & we have  
become personally purified & sanctified in our New-birth experience!

To be pure in heart is to be holy, spotless, & sinless, which can only happen by our  
nature being changed, which happens when someone calls upon the name of Jesus for salvation.

A dramatic & eternal result of the New-birth is that we 'see God', which means that we  
enter into relationship with Him that shall never be severed!

To see God means that we enter into fellowship with Him, have relationship with Him, &  
can enjoy friendship with Him, because we're born of Him & are His children!

To see Him is to experience Him, have Him revealed to us, be encountered by Him, & to  
come to know Him, in spirit & in truth! That is the invitation to every person entering  
the kingdom of God, to get to know the Heavenly Father & to enjoy covenant relationship with Him!

Whoever calls on the name of the Lord shall be saved (Romans 10/13), & thus becomes a  
child of God, & will be pure in heart & will see God & His eternal kingdom, & is  
forevermore a child of God!

That is a big chunk of great news, isn't it?
