Mat 8:16,17 And evening coming on, they brought to Him many who had been possessed with demons. And He cast out the spirits with a word, and healed all who were sick, so that it might be fulfilled which was spoken by Isaiah the prophet, saying, "He took on Himself our weaknesses and bore our sicknesses."

Other Bible versions render parts of these verses as....."He himself took our pains & diseases....He healed our diseases & made us well....He took our infirmities & bore our diseases....It was He who took our illnesses away & removed our diseases...He took upon Himself our weaknesses & the burden of our diseases!"

It should be clear to us from Scripture that healing is part of our redemption, because of what Jesus took upon Himself, delivered us from, & because of what He has placed within us, as children of God! Healing is for today, because salvation is for today, & healing is simply & truly a benefit of salvation! Healing is for today, because if you're Born-again, the Holy Spirit lives within you, & He's the healer, throughout the ministry of Jesus & the disciples, & He's the healer living inside of you! Healing is for today, because Jesus is the Mediator of a better covenant than what the Israelites had, they had healing manifest all throughout the approximately 1500 years of the Old Covenant, & The Holy Spirit ministered healing through Jesus, through His apostles, through many disciples in the Church age, & that New Covenant still ministers healing today!

Healing is for today, for the Healer dwells inside every Christian. Healing is within you, Christian! Take time to meditate upon the truths listed here, let the Word of God minister health to you, & trust in the Covenant of Grace that the Father provided us with through Jesus, by the Holy Spirit!

Jesus received upon Himself the full weight of our sickness, illness, & disease, & as a result, removed them from us!

Jesus spoiled the dominion of sin, disease, & sickness when He stripped Satan of authority, & Jesus delivered us from their right to us!

We are now temples of God, vessels of the Holy Spirit, & ambassadors of Christ, & darkness has no power against the Holy Trinity, thus, no authority over us!

Jesus willingly became the recipient of the illness, disease, discomfort, weakness of fallen mankind, & in so doing, He removed them from us, putting them away in His death!

Jesus stood in for us at Calvary, receiving the full punishment that God doled out in behalf of rebellious mankind, with every weakness, illness, disease, frailty, & calamity due to us being poured into & upon Him, once for all time, & He delivered us from all of them!

The spiritual, emotional, mental, & physical weaknesses that manifested in the nature of man once separated from the life & nature of God were poured into Jesus, who became severely depressed & tormented during the hours leading up to His capture, & His torment continued to increase throughout His suffering in the trial, scourging, & crucifixion. He personally became the substitute for the punishment doled out from enraged men, so that we can be free from the punishments He suffered with!

By the grace of God, Jesus became as fallen man at Calvary, & we have become as He is, in our redemption! That which was heaped upon Him in punishment, we have been set free from!

We have been delivered from weakness, infirmity, sickness, & disease, just as surely as we have been delivered from the nature of sinfulness & spiritual death, the moment we were Born-again!

Just as you may not 'feel saved' at times, you don't always exhibit the fruit of physical healing, in the midst of sickness or disease. But just as by believing the promises of God regarding salvation, & by the witness of the Holy Spirit confirming your salvation, standing upon the promises of God in healing & health can & will manifest the fruit of healing & deliverance!

Our deliverance from sin, shame, & sickness is through what Jesus did for us at Calvary & by what the Holy Spirit does in us as New Creations!

You don't have to see or feel salvation to know you have it, because the Holy Spirit confirms within you that you have it. Healing comes the same way: it's provided for you, it belongs to you, it dwells in you, so take authority over your body & proclaim The Word of Healing as verbal medicine to your symptoms, & watch the circumstances change for the better!

Jesus was beaten, abused, assaulted, spit upon, battered, ripped asunder, & died a horrific death, in order to take from us all punishment due from God, & to deliver us from the infirmities & weaknesses that overtook humanity. As Jesus is, holy, healthy, & victorious, so we are, in union with Him!

He sent His Word to heal you & to deliver you from all destruction! (Psa. 107/20)
