1Jn 2:1,2 My little children, I write these things to you so that you do not sin. And if anyone sins, we have an Advocate with the Father, Jesus Christ the righteous. And He Himself is the propitiation relating to our sins, and not relating to ours only, but also relating to all the world.

- Once we are born-again, we are freed from having a spiritual nature of sinfulness!
- We do not have to yield to worldly temptations such as lust of the flesh, lust of the eyes, & pride of life, & we aren't overpowered with temptations to rebel against God unless we choose to yield to them!
- As we submit ourselves to God & allow His divine nature in us to resist the temptations of darkness through us, we overcome the darkness around us, because there's no darkness within us!
- God is light, there's no darkness in Him, He's the Father of lights, & that means we are His children of the light!
- The sin of the world was dealt with by God on a legal basis, by having the sin of mankind placed upon Jesus, once & for all, & our sinfulness was carried away forever!
- God hasn't been imputing sin to us on a spiritual basis since the day that Jesus died, & imputed righteousness to us upon the resurrection of Jesus, & then imparted the nature of righteousness into us personally the day we received the gift of eternal life!
- The acts & attitude of sin that we manifest in our earthly life isn't held against us by God, & can be forgiven by people that we transgress against.
- Jesus has put away the sin of the world, & sin can't prevent anyone from becoming a child of God!
- We are freed from the dominion of sin, & we don't have the spiritual nature of sin, we now have the spiritual nature of life, love, peace, & joy!
- Sin isn't a problem between God & you, because Jesus dealt with it, & so we are free to be the joyful, peaceful, graceful children of God that we have become!
- Sinfulness isn't part of our divine nature, Christians, & so we don't walk in rebellion to God & holiness by instinct!
