

Phil. 2/12,13 Therefore, my beloved, as you have always obeyed, not as in my presence only, but now much more in my absence, work out your own salvation with fear and trembling; for it is God who works in you both to will and to do for His good pleasure.

You can only work out what God has already worked in your behalf!

To work it out means to allow that which God has placed into you to be free to flow through you!

Working out your salvation means to give full attention to learning God's will for you & practice yielding to it!

With fear & trembling means to recognize the importance, value, potentiality will of God concerning you as God's child & vessel!

With fear & trembling refers to you not allowing anything in this world to take priority over God's call upon you!

You can & will bear good fruit in life, throughout your days, not by doing works for God, but, rather, allowing God to have His way regularly, in you, with you, by you, & through you!

God has a will to do that which brings pleasure to Him; you, & all of the people that you minister to!
