We walk by faith, not by sight!

We're led by the Spirit of God into the purposes of God!

Recognizing we have a holy purpose brings us into accountability for allowing  
the Holy Spirit to lead us into the manifestation of those purposes  
being fulfilled!

Knowing that we have a divine purpose recognizes that there is divine passion  
that manifests in the pursuit of that purpose!

With the new year coming quickly, here's a new set of 365 days looming, in  
which we can walk with God, talk with God, fellowship with Him, & yield  
consistently to what He has in mind & in store for us!

A great benefit of us yielding to the will of the Lord is that people will be  
helped, encouraged, & affirmed!

Faith is an adventure, one that has been secured & assured for us by God the  
Father, Son, & Holy Spirit!

So take the remainder of this year, the precious few days that remain, and  
seek the Lord for fresh or renewed perception of His call upon you, His will  
for you, & His will through you! If you do, & then yield to His divine purposes,  
you'll have a wonderful year that will be a testimony to the grace of God!

Not only will you benefit from adventuring with God,  
so will the people you influence!

**So go for it!**
